Introduction

These release notes accompany **mocha shape converter 2.0.1**. This release fixes one bug.

Features in mocha shape converter 2.0.1

This release contains a bug fix only and no new features.

Fixed Issues

Issue:	DE1752: Beziers that have manual keyframes do not paste correctly to AE shape converter masks (Adobe bug id #3278773)
Platform:	All
Bug Description:	Shapes would become erratic when pasted into After Effects if there were manual keyframes added to bezier splines in mocha

Known Issues

There are no known issues.

Hardware Requirements

A Windows or Mac system that meets the After Effects CS6 requirements.

Software Requirements

Adobe After Effects CS6 on Mac OS X 64-bit Intel or Windows Vista/7 64-bit
